

{ICPS} Heriot-Watt
2013

HERIOT
WATT
UNIVERSITY

15th – 21st August 2013

The International
Conference of
Physics Students 2013
15-21st August

A conference giving students the chance to present work to other students from a range of different fields. The conference also gives the students a chance to take in some local Scottish culture in the capital city during the world famous Fringe Festival
